

Minimum Qualification Specifications  
for the Classes:ELECTRICIAN I - IILicense and Experience Required

1. Applicants for Electrician I must possess a valid State of Hawaii Journey Worker Electrician License, Journey Worker Industrial Electrician License, Supervising Electrician License, or Supervising Industrial Electrician License.
2. Applicants for Electrician II must possess:
  - a) A valid State of Hawaii Journey Worker Electrician License or Journey Worker Industrial Electrician license, and one (1) year of work experience as a licensed electrician performing work comparable to an Electrician I in State service; or
  - b) A valid State of Hawaii Supervising Electrician License or Supervising Industrial Electrician License.

Selective Certification:

Certain positions may require that applicants be restricted to those who possess the pertinent specialized experience and knowledge required to perform the duties of the position. In requesting selective certification, the department must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties and responsibilities of the position to be filled.

Physical and Medical Requirements:

Applicants must be physically able to perform, efficiently and effectively, the essential duties of the position which typically require the ability to read without strain printed material the size of typewritten characters, glasses permitted, and the ability to hear the conversational voice, with or without a hearing aid, or the ability to compensate satisfactorily. Disabilities in these or other areas will not automatically result in disqualification. Those applicants who demonstrate that they are capable of performing the essential functions of the position will not be disqualified under this section.

Any condition which would cause applicants to be a hazard to themselves or others is cause for disqualification.

Any disqualification under this section will be made only after a review of all pertinent information including the results of the medical examination, and requires the approval of the Director of Human Resources.

Mental/Emotional Requirements:

All applicants must possess emotional and mental stability appropriate to the job duties and responsibilities and working conditions.

-----

This is an amendment to the minimum qualification specification for the classes, ELECTRICIAN I - II, to update the experience and licensing requirement and combine levels I and II into one specification, effective April 5, 2013.

-----
