Dear Brian:

I certify under penalty of perjury that the information provided on the attached worksheet showing HHSC losses totaled \$17,179,788 for quarter ended March 31, 2012 from participation in the Quest, Quest Expanded Access programs and providing services to Uninsured patients are true and correct. The losses were calculated using the latest information available for the period claimed; and the funds/contributions were expended as necessary for federal matching funds pursuant to the requirement of 42CFR 433.51. These claimed expenditures have not previously been and shall not subsequently be used for federal match in this or any other program. I am aware that this information is to be used for filing of a claim with the Federal government for Federal funds and that knowing misrepresentation constitutes violation of the Federal False Claims Act.

Sincerely,
