2. Successful completion of a substantially full-time equivalent accounting curriculum: leading to a degree or diploma at an accredited business school, community college, or other comparable institution which included accounting courses in double-entry procedures in analyzing, recording and summarizing transactions; and the preparation and interpretation of financial statements, may be substituted for Specialized Experience on the basis of one (1) year of such training for one (1) school year of experience, up to a maximum of two (2) years.

3. Completion of one (1) school year of (more than one year program) substantially full-time accounting curriculum which normally leads to a degree or diploma at an accredited business school, community college, or other comparable institution which included accounting courses in double-entry procedures in analyzing, recording and summarizing transactions; and the preparation and interpretation of financial statements may be substituted for one (1) year of Specialized Experience.
4. Education in an accredited university in a baccalaureate program may be substituted for Specialized Experience on the following basis:

   a) A baccalaureate degree in accounting will be deemed to have met the experience requirements for the Account Clerk V level.

   b) Fifteen (15) semester hours of training may be substituted for six (6) months of experience, up to a maximum of three and one-half (3\(\frac{1}{2}\)) years provided the training included at least three (3) credits per semester of accounting courses such as accounting theory and methods used to record and report financial information; analysis of methods for valuing the assets, liabilities, and ownership; etc.

Selective Certification:

Certain positions may require that applicants be restricted to those who possess the pertinent specialized experience and knowledge required to perform the duties of the position. In requesting selective certification, the department must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties and responsibilities of the position to be filled.

Applicants must be physically able to perform, efficiently and effectively, the essential duties of the position which typically require the ability to read without strain printed material the size of typewritten characters, glasses permitted, and the ability to hear the conversational voice, with or without a hearing aid, or the ability to compensate satisfactorily. Disabilities in these or other areas will not automatically result in disqualification. Those applicants who demonstrate that they are capable of performing the essential functions of the position will not be disqualified under this section.

Any condition, which would cause applicants to be a hazard to themselves or others, is cause for disqualification.

Any disqualification under this section will be made only after a review of all pertinent information including the results of the medical examination, and requires the approval of the Director of Human Resources.
