

HAWAII HEALTH SYSTEMS CORPORATION

Job Description

Adult Day Health Aide

(Job Description, Class Specification & Minimum Qualification Requirements)

Full Performance

Pay Grade HE-06

Job Code 6.748

Function and Location

This position works in a day health center and is equally responsible to provide direct care to the day health clients, as well as to provide supportive, therapeutic, and recreational activities to the clients. The position may be required to work on shifts, including evenings, and weekends and holidays.

Key Duties and Responsibilities

1. Give patients tub, sponge, and bed baths. Assist ambulatory patients with showers. Give showers to non-ambulatory patients using a shower gurney.
2. Assist clients with toileting (e.g., escort client to toilet/urinals, help with bladder/bowel training, etc.).
3. Assist patients with oral hygiene (e.g., brush teeth, care for dentures, etc.).
4. Measure and accurately record intake and output on appropriate forms in the client's record.
5. Take temperature, pulse, respiration, height and weight; accurately record on appropriate forms in the client's chart, and report all abnormal readings or sudden changes to the nurse.
6. Document actions done for the client and observations of the patient's condition and behavior on the client's record on hospital-approved flow sheets.
7. Prepare clients for meals; pass trays after verifying with the diet chart that the meal is correct. Feed patients who are unable to or have difficulty feeding themselves.
8. Prepare rest area by adding/removing linens from pillows and beds.
9. Transport ambulatory clients on wheelchairs to other areas of the hospital.
10. Contribute to the patient's care plan by reporting possible nursing care plan additions or deletions to the RPN.
11. Perform routine treatment procedures as directed by the charge nurse.
