

PART II

HAWAII HEALTH SYSTEMS CORPORATION
STATE OF HAWAII

Minimum Qualification Specifications for the Class:

BUILDING MAINTENANCE HELPER

Job Code: 10.235

Education: High school diploma or the equivalency is preferred.

Experience and Training: Two years of work experience in performing a variety of building maintenance repair work or its equivalent combination of experience and training.

Quality of Experience:

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that they have the ability to perform the duties of the position for which they are being considered.

Selective Certification:

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be established, and certification may be restricted to eligible individuals who possess the pertinent experience and/or training required to perform the duties of the position.

Regions or facilities requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.

Health and Physical Requirements:

Applicants must meet the health and physical requirements deemed necessary to effectively and safely perform the essential functions of the position with or without reasonable accommodation.

This is to add Part II to the minimum qualification specifications for the class, BUILDING MAINTENANCE HELPER, effective May 15, 2026.

APPROVED: May 15, 2026
