

PART II

HAWAII HEALTH SYSTEMS CORPORATION  
STATE OF HAWAII

Minimum Qualification Specifications  
for the Classes:

ELECTRICIAN I & II  
Job Codes: 10.055, 10.060

Education/Specialized Training: As required to apply for a State of Hawaii Journey Worker Electrician license, Supervising Electrician License, Journey Worker Industrial Electrician License, or Supervising Industrial Electrician License.

Experience:

Electrician I: None required.

Electrician II: One year of work experience as a licensed electrician performing work comparable to an Electrician I in State service; **or** a valid State of Hawaii Supervising Electrician License or Supervising Industrial Electrician License.

License Required

A valid State of Hawaii Journey Worker Electrician License, Journey Worker Industrial Electrician License, Supervising Electrician License, or Supervising Industrial Electrician License, at the time of appointment.

Quality of Experience:

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that they have the ability to perform the duties of the position for which they are being considered.

Selective Certification:

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be established and certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Regions or facilities requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective

certification and the duties of the position to be filled.

Health and Physical Requirements:

Applicants must meet the health and physical requirements deemed necessary to effectively and safely perform the essential functions of the position with or without reasonable accommodation.

-----  
This is an amendment to the minimum qualification specification for the classes, ELECTRICIAN I & II, to update the education, experience and licensing requirement, Quality of Experience, Selective Certification, Health & Physical and delete Mental/Emotional Requirements effective May 15, 2026.
