5. Nature of the Emergency Kauai must continue its emergency room services at KVMH and SMMH. The current contractor, Sterling, gave notice of termination on 9/4/06. Kauai has been working diligently to procure the services of enough physicians to continue the services at both hospitals. Given the short timeline since notification of termination, physicians are working to get the Tax Clearance Certificate required by HRS 103. However, Dr. Hemingway has been unable to get the certificate in time for contract execution despite due diligence on his part. These emergency services must continue to provide critical medical emergency care on Kauai.	

6. Vendor: Thomas Hemingway Address: 6555 B 104 th Street Ewa Beach, HI 96706	7. Price: NTE \$139,537.00

8. Description of goods, services, or construction to be purchased
Provide emergency room physician services to Samuel Mahelona Memorial Hospital and Kauai Veterans Memorial Hospital.

9. Reason for Vendor Selection
Dr. Simental has been providing services to KVMH and SMMH under the previous contract with Sterling. He provides excellent services and is well respected by staff and patients. It's very difficult to recruit and retain qualified, board-certified emergency room physicians on Kauai.

11. I certify that the information provided above is to the best of my knowledge, true and correct.

This is a serious, troubling situation. We absolutely must assure physicians are available to provide these services. Kauai Region must assure tax clearance certificate is obtained by Dr. Hemingway as soon as possible.
