

PART II

HAWAII HEALTH SYSTEMS CORPORATION
STATE OF HAWAII

Minimum Qualification Specifications
for the Classes:

ENVIRONMENTAL SERVICES WORKER II & III
Job Codes: 9.315, 9.320

Education: High school diploma or the equivalency is preferred.

Experience:

Environmental Services Worker II: No experience required.

Environmental Services Worker III: Two years of janitorial or related custodial work such as sweeping, dusting and cleaning of buildings. Must have demonstrated evidence of supervisory aptitude. Supervisory aptitude is the demonstration of aptitude or potential for the performance of supervisory duties through successful completion of regular or special assignments which involve some supervisory responsibilities or aspects; by serving as a group or team leader, previous work experience in a position that demonstrates or performs supervisory functions or in similar work in which opportunities for demonstrating supervisory capabilities exist; by completion of training courses in supervision accompanied by application of supervisory skills in work assignments; or by favorable appraisals by a supervisor indicating the possession of supervisory potential.

Quality of Experience:

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that they have the ability to perform the duties of the position for which they are being considered.

Selective Certification:

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be

established and certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Regions or facilities requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.

Health and Physical Requirements:

Applicants must meet the health and physical requirements deemed necessary to effectively and safely perform the essential functions of the position with or without reasonable accommodation.

This is an amendment to the minimum qualification specifications for the classes, ENVIRONMENTAL SERVICES WORKER II & III to update the Quality of Experience, Selective Certification, Health & Physical and delete Mental/Emotional Requirements and to move ENVIRONMENTAL SERVICES SUPERVISOR I & II Part II to a separate document, effective May 15, 2026.

APPROVED: May 15, 2026
