FROM CHAPTER 103D, HRS**

Number: EX-033

**1. TO:** Chief Procurement Officer

**2. FROM:** A.A. Stransky

Department/Division/Agency Pursuant to §103D-102(b)(4), HRS, and Chapter 3-120, HAR, the Department requests a procurement exemption to purchase the following:

**3. Description of goods, services or construction:**

Corporate controller services, including but not limited to, functions and activities of accounting, financial planning, financial reporting, budgeting, and government programs.

**4. Name and Address of Vendor:**

Resources Group, 737 Bishop Street, Suite 1470, Honolulu HI 96813

**5. Price:** \$107,500

**6. Term of Contract:** From: Date of Execution To: One Year

**7. Prior Exemption Ref. No.**  
EX13-034A

**8. Explanation describing how procurement by competitive means is either not practicable or advantageous to the State:**

The functions and activities of the Controller position are critical to the financial viability of HHSC and must not be left unattended. Position has been filled on a temporary basis by contracted labor, who has now gained familiarity and competency with HHSC operations. Continuity is essential in this role and HHSC desires to retain this individual in a temporary, contracted position. A renewal of the current staff agency agreement is not available; hence a new agreement is required. Executing a competitive procurement is not practicable nor advantageous for the State or HHSC. Risking delay with a formal RFP will lead to the critical services not being done and is not in the best interest of HHSC or the State of Hawaii.

**9. Details of the process or procedures to be followed in selecting the vendor to ensure maximum fair and open competition as practicable:**

The corporate office will be conducting a search using all means necessary to find a capable and qualified candidate who will be available within the timeframe specified.

**10. A description of the agency's internal controls and approval requirements for the exempted procurement:**

The exemption request is reviewed by Corporate Director of Contracts and HHSC senior management in accordance with HHSC policies and procedures. The President and CEO of HHSC (or his delegated CPO) approves the exemption requests covering more than once facility and in accordance with internal procurement policies and procedures. HHSC policies and procedures will be followed and periodic reviews of the contract action will be performed.
