

**HAWAII HEALTH SYSTEMS CORPORATION
NOTICE OF AMENDMENT TO EXEMPTION FROM CHAPTER 103D, HRS, CONTRACT**

1. TO: Chief Procurement Officer
2. FROM: Joe Evanoff/Andrew Alvarez
Department/Division/Agency

4. P.E. Reference No. **EX-079**
(prior Exemptions include EX-009, EX-012, EX-04 & EX-061)

3. Name of Contractor: Covidien Sales

5. Description of goods, services, or construction:
Covidien Sales, LLC, a Medtronic Company, provides HHSC with Sutures and Endo mechanical Supplies under a system wide contract for all participating HHSC facilities.

6. Scope of work for the contract is revised as follows:

No changes to the scope of work (goods to be provided by Contractor). A "No Cost Extension" of the Agreement shall be executed for an additional 180 day period.

Original Contract Price: \$10.5M

Amended Contract Price: \$10.5M (no change)

7. Reason: This/These amendment(s) are necessary because:

The existing contract will be renewed for a 180 day period effective May 1, 2017. HHSC hospital physicians prefer the Covidien Sutures and Endo Mechanical equipment and supply (this is a physician preference item as stated in the original and first Exemption Amendment). This amendment to the Exemption (to run concurrent with the 180 day period) will freeze pricing at 2014 levels, and allow HHSC time to complete an evaluation process to determine current system-wide volume needs and product preferences and thus ensure that there is no interruption in product availability for the short term. Once the evaluation is completed, a re-solicitation of the goods and services may be conducted if appropriate to ensure that pricing remains at a level most advantageous to the State of Hawaii.

8. Direct questions to: Andrew Alvarez Phone: 808-793-2670

Agency shall ensure adherence to applicable administrative and statutory requirements.

9. *Pursuant to § 103D-102, HRS, and § 3-120-5, HAR, I certify that the information provided above is, to the best of my knowledge, true and correct*
