8. Explanation describing how procurement by competitive means is either not practicable or advantageous to the State:

Legislature of the State of Hawaii enacted Act 103, SLH 2015 (H.B. No. 1075). The law as part of HRS Chapter 323F, Part IV, the State of Hawaii, the Hawaii health systems corporation, and the Maui regional healthcare system, entered into a Transfer Agreement with Kaiser Foundation Hospitals. The Transfer Agreement, executed on January 14, 2016, and as part of this arrangement the Maui Region was in the process of discontinuing direct delivery of hospital services and to transfer the management and operations of its facilities to Kaiser. As a result of the on-going transfer requirements HHSC must continue to ensure the accuracy of the accounting records, the sources and uses of cash that are available to pay off ongoing and remaining liabilities post transition services. The services of this vendor will be needed to continue with on-going review of general ledger account reconciliations, posting of transaction to general ledger, preparing supporting schedules, reviewing general ledger monthly closes for FY2019 and for the fiscal year-end close, as well as audit support for fiscal year 2020.

9. Details of the process or procedures to be followed in selecting the vendor to ensure maximum fair and open competition as practicable: At this time it is not advantageous due to the emergent situation for HHSC to begin a new formal process during the Maui Transition to Kaiser period. Therefore, HHSC will complete direct negotiations and continue to contract with Pascua Accounting and HHSC will review its needs and make a determination if services are still required to warrant a formal bid process.

10. A description of the agency's internal controls and approval requirements for the exempted procurement: The Exemption Request is reviewed by HHSC CPO in accordance with HHSC policies and procedures. The President and CEO of HHSC (or her delegated CPO) approves the exemption in accordance with internal procurement policies and procedures.
