

EX 06 - 21

**STATE PROCUREMENT OFFICE  
NOTICE OF AND REQUEST FOR EXEMPTION  
FROM CHAPTER 103D, HRS**

1 TO: Chief Procurement Officer  
 2 FROM: Ronald J. Schurra, East Hawaii Regional CEO

## Department/Division/Agency

Pursuant to §103D-102(b)(3), HRS, and Chapter 3-120, HAR, the Department requests a procurement exemption to purchase the following:

3. Description of goods, services or construction: Support services for Kodak imaging system and components; including all software/hardware, preventative maintenance and repair services necessary for maintaining optimal system operation.	
4. Name of Vendor: Kodak Health Imaging Address: 150 West Civic Center Drive, Suite 610 Sandy, Utah 84070	
5. Price: \$ 74,000.00	
6. Term of Contract: From: 07/15/06	7. Prior Exemption Ref. No. To: 07/14/07 N/A
8. Explanation describing how procurement by competitive means is either not practicable nor advantageous to the State: HMC Biomed Staff attempted to locate competitive vendors. They were unable to find any vendors possessing qualifications and the ability to adequately support the entire system including all hardware and software. There are also no identified vendors who possess Hawaii based service personnel which is essential to immediate response needs and in order to minimize system downtime. The Kodak imaging systems use only Kodak parts and Kodak proprietary software to function. Therefore, it is essential that Kodak maintain, repair and service this equipment.	
9. Details of the process or procedures to be followed in selecting the vendor to ensure maximum fair and open competition as practicable: Hawaii Health Systems can continue to monitor the market in an attempt to find appropriate competition for this vendor. Currently, it appears none exists, and we must maintain and service this system of equipment. In the event suitable competition is located, prior to any renewal of a current contract, HHSC can notify the vendor that a new competitive solicitation will be issued.	
10. A description of the agency's internal controls and approval requirements for the exempted procurement: The Director of Contract Management reviews requests for exemptions for sufficiency prior to submission to the President and CEO for action.
