

EX 08-20

**HAWAII HEALTH SYSTEMS CORPORATION  
NOTICE OF AND REQUEST FOR EXEMPTION  
FROM CHAPTER 103D, HRS**

1. TO: Chief Procurement Officer  
2. FROM: Jeanne Rabold, Special Procedures Supervisor, Imaging Dept, Maui Memorial Medical Center

Department/Division/Agency

Pursuant to §103D-102(b)(4), HRS, and Chapter 3-120, HAR, the Department requests a procurement exemption to purchase the following:

<p>3. Description of goods, services or construction: Unit doses of radioactive nuclides used for Nuclear Medicine procedures at Maui Memorial Medical Center. See attached list of radiopharmaceutical drugs currently acquired through Pacific Radiopharmacy.</p>	
<p>4. Name of Vendor: Pacific Radiopharmacy, Ltd.  Address: 347 North Kuakini Street Honolulu, Hawaii 96817</p>	<p>5. Price:  \$300,000</p>
<p>6. Term of Contract: From: 3/1/08 To: One Year Upon approval</p>	<p>7. Prior Exemption Ref. No. 07-008</p>
<p>8. Explanation describing how procurement by competitive means is either not practicable or advantageous to the State: Vendor is currently the only commercial supplier of radioactive nuclides in the State of Hawaii who is equipped to ship products to the other islands outside of Oahu. The half-life of product makes it difficult to purchase the product from a mainland distributor. If purchase occurs outside of Hawaii the product would need to be purchased in larger quantities due to the decay that would occur during shipping which in turn would double the estimated cost.</p>	
<p>9. Details of the process or procedures to be followed in selecting the vendor to ensure maximum fair and open competition as practicable: Vendor is currently the only licensed vendor in the state of Hawaii. During the term of the exemption Maui Memorial Medical Center will continually check with Nuclear Regulatory Commission and the State of Hawaii Department of Health to determine if other vendors with approved licenses have established a business in the State. If licenses have been granted and another licensed vendor is willing and able to supply Maui Memorial Medical Center with the necessary radioactive nuclides, then a Request for Proposal will be published and the best procurement practice will be completed.</p>	

10. A description of the agency's internal controls and approval requirements for the exempted procurement:  
 This exemption shall be from HRS, Section 103-302 all other guidelines, rules and policies under Chapter 103D shall be upheld. HHSC Policies and procedures will be followed and periodic reviews of contract action will be completed.
