HAWAII HEALTH SYSTEMS CORPORATION
NOTICE OF AND REQUEST FOR EXEMPTION
FROM CHAPTER 103D, HRS

1. TO: Chief Procurement Officer
2. FROM: Maui Memorial Medical Center

Department/Division/Agency

Pursuant to §103D-102(b)(4), HRS, and Chapter 3-120, HAR, the Department requests a procurement exemption to purchase the following:

3. Description of goods, services or construction:

Vascular grafts, patch material for vascular repairs, bypass grafts and hernia repair materials. Product construction depends on patient needs, anatomy and surgery required.

4. Name of Vendor: WL Gore
   Address: 960 West Elliot Road, Suite 202, Tempe, AZ 85284

5. Price: $100,000

6. Term of Contract: From: Date of Contract Execution To: Two Years

8. Explanation describing how procurement by competitive means is either not practicable or advantageous to the State:

It is in the State’s best interest to buy directly from this vendor without requiring a formal competitive process because the vendor is willing to provide its products on a consignment basis, thus providing the State with significant advantageous potential cost savings.

Product construction depends on patient-specific needs, anatomy and surgery required; and as such, supply needs vary greatly from case to case, and require a full inventory on short notice. The hospital is spared the expense of maintaining the expensive product in inventory. Additionally, the vendor’s representative is available to the surgeon and staff to provide technical assistance in the operating room, when needed.

9. Details of the process or procedures to be followed in selecting the vendor to ensure maximum fair and open competition as practicable:

The term of the exemption will be for a two (2) year period. During the term of this exemption the hospital will conduct research to determined if other vendors could provide these services on a short turnaround schedule and on consignment. If the Hospital does make a determination that another vendor meets the above requirements an IFB or RFP would be completed.
