

Minimum Qualification Specifications
for the Class:IMAGING CLINICAL NAVIGATOR

Education: Bachelor's degree from an approved program recognized by the Joint Review Committee on Education in Radiologic Technology (JRCERT).

Excess work experience as described below in the experience requirement section or any other responsible professional work experience; which provided knowledge, skills and abilities comparable to those acquired in four (4) years of successful study while completing a college or university curriculum leading to a baccalaureate degree from an approved program recognized by the Joint Review Committee on Education in Radiologic Technology may be substituted for education on a year-for-year basis.

To be acceptable, the experience must have been of such scope, level and quality as to assure the possession of comparable knowledge, skills and abilities.

Experience Requirement:

Specialized Experience: Two and one-half (2 ½) years of imaging technologist/specialist experience which demonstrated a thorough knowledge of imaging procedures and imaging workflow to include registration, scheduling, exam process, imaging interpretation and image and report management. Of the two and one-half (2 ½) years of specialized experience, one (1) year must be in an imaging environment utilizing the basic concepts of imaging production on a digital system and the ability to fully use and apply standard principles, theories and concepts related to imaging informatics.

License Requirement: A current State of Hawaii Radiologic Technologist license as a radiographer.

Certification Requirement: A current American Registry of Radiologic Technologist (ARRT) in Radiography (R).

Substitution of Experience for Education:

1. Successful completion of an accredited program in Radiologic Technology with a certificate or associate degree and two (2) years of professional imaging experience may substitute for a bachelor's degree.
2. Excess work experience as described under the Specialized Experience Requirement which provided knowledge, skills and abilities comparable to those

acquired in four (4) years of successful study while completing a college or university curriculum leading to a bachelor's degree may be substituted on a year-for-year basis.

Quality of Experience:

Possession of the required amount of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that he/she has the ability to perform the duties of the position for which he/she is being considered.

Selective Certification:

Specialized knowledges, skills and abilities may be required to perform the duties of some positions. In such positions, applicants may be restricted to those who possess the pertinent experience and/or training required to perform the duties of the position.

Departments requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.

Physical Requirements:

Applicants must be physically able to perform, efficiently and effectively, the essential duties of the position which typically require the ability to read without strain printed material the size of typewritten characters, glasses permitted, and the ability to hear the conversational voice, with or without a hearing aid, or the ability to compensate satisfactorily. Disabilities in these or other areas will not automatically result in disqualification. Those applicants who demonstrate that they are capable of performing the essential functions of the position will not be disqualified under this section.

Any condition which would cause applicants to be a hazard to themselves or others is cause for disqualification.

Any disqualification under this section will be made only after a review of all pertinent information including the results of the medical examination, and requires the approval of the Chief Human Resources Officer/Designee.

Mental/Emotional Requirements:

All applicants must possess emotional and mental stability appropriate to the job duties and responsibilities and working conditions.

This is the first minimum specifications for the classes, IMAGING CLINICAL NAVIGATOR.

DATE APPROVED: December 12, 2018
