REQUEST FOR SOLE SOURCE (Cont.)

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

Mandatory reports for State of Hawaii, custom software for the operation of the human resources (HR) system.

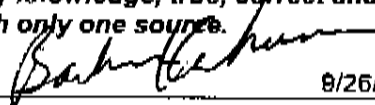

Custom interfaces automated to move data from the HR system to the time and attendance system.

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

Current vendor developed the product needing support and is available now and as needed.

Direct questions to: Barbara Kahana _____ Phone:733-4035

I certify that the information provided above is to the best of my knowledge, true, correct and that the goods, services, or construction are available through only one source.
