2. FROM: Tricia Won
Department/Division/Agency

SS-13-001

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

3. Description of goods, services, or construction: ABAQIS is a software product produced by Providigm that utilizes the facility's minimum data set to provide actionable data to identify the regulatory areas where the facility should focus its quality improvement efforts. The emphasis on resident-centered feedback also helps the facility to pinpoint customer satisfaction areas that require attention. The price indicated also includes a \$5000 set aside for training cost, if necessary.	
4. Vendor Name: Providigm Address: 8055 East Tufts Avenue, Suite 1200, Denver, Colorado 80237	5. Price: \$95,000
6. Term of Contract: From: <u>Date of Execution</u> To: <u>Three Year Term</u>	7. Prior Sole Source Ref No. <u>100</u>
8. Feature: The good, service, or construction has the following unique features, characteristics, or capabilities: ABAQIS is the only assessment and reporting system for providers that will replicate the entire Quality Indicator Survey (QIS) methodology, which is used by selected State Survey Agencies and CMS to determine if Medicare and Medicaid certified nursing homes meet the Federal requirements. This process provides a comprehensive assessment of each resident's functional capabilities and helps nursing home staff identify health problems.	
9. Essential Features: How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work: CMS is implementing the Quality Indicator Survey (QIS), which is a computer assisted long-term care survey process used by selected State Survey Agencies and CMS to determine if Medicare and Medicaid certified nursing homes meet the Federal requirements. HHSC will use the product to prepare for these surveys
